## Hello Summer!

As the temperatures climb and we have the privilege to head on vacations and relax, we let some things at church take a small break while the important work of being community, worshiping, and feeding our friends continues. Youth group, Martha, and Bible Study will all take breaks in the summer. Except Bible Study will take a week or two extra just to give the proper attention to the last few chapters of Matthew. Please don't forget the Martha Taco Feed on July 16th, and the rummage sale on the 19th and 20th. Also, please turn in your cans by July 11th. All this busyness is simply an indicator of the exciting things we have going on.

The growth in the church and the new programs for young people are works of God that we celebrate as we give gratitude to God for choosing

our corner of the world for these exciting ministries. I'll be entering my busy camp season at the end of the month, starting July 28th, and as always I thank the church for giving me the space and grace to go to camp and serve our church and region's young people. We'll be sending at least one to all three camps, and I'll be counseling both middle school and high school camps.

Finally, as always in the summer, I try to focus on finding more people to help with youth and children's programs. I currently have four people on my short list for training and background checks, but I would love anyone else who is interested in helping, especially with the younger kids, to please speak with me and we'll get you trained before September.

Peace and love,  
Pastor Zane
