June 2019

Volume 231

Hello and welcome to June!

We have several exciting Sundays coming up this month. The first Sunday in June is a graduation recognition Sunday, where we will give thanks for our young people who are finishing high school and college. The first two Sundays in June are the Pentecost offering, which benefits Disciples new church ministries both in our region and to the general church. There is a special reason to give this year that directly benefits our regional church, and has a connection to the power of familiar languages in the Pentecost story. Claremont School of theology has started a new Spanish Language certificate program that has already been greatly benefiting Spanish-language church leaders in our region. If you are wondering how this connects to our church, it is the opportunity for connection and for greater relationship between us and the non-English speaking churches that should give us pause and a chance to celebrate what God is doing across languages and cultures in our Oregon and Idaho region.

There are several youth fundraisers coming up in June and July. I want to draw special attention to the fundraiser on June 22nd, which is a dinner and silent auction with many cool family oriented prizes from local businesses on offer. Furthermore, we'll still have sorting and pricing events for the rummage sale. The one other fundraiser still to be scheduled is a bottle return. If you can bring all of your bottles and cans by the end of this month, it would be greatly appreciated.

Finally, at the start of July, we will begin our summer breaks for youth group and Bible Study. Bible study will be finishing Matthew, so please be on

time in June so we can get through a chapter a day. The youth group summer kick-off party will be at the Daley's house on Wednesday, June 26th, from 6-8 pm.

Grace and Peace,
Pastor Zane

The Soup Kitchen is looking for volunteer cooks, kitchen helpers and servers. If you feel this calling or know of someone who is looking to serve the community, please contact K J Ullfers at 541-514-5145.

Christian Women's Fellowship

CWF Martha group meets every month on the third Tuesday at 2:00 pm. The next few months we will be meeting at the church . Our study is called Christianity and Islam. All women are invited. Please come.

Tuesday, June 18
2:00 pm
Fireside Room

In July we will be meeting at Gil-mores for a Taco Feed. There will no meeting in August and we will continue this study September 17 at 2:00 pm at the church.

In Johannesburg and Soweto we were warned not to leave the tour group and to never go any-place alone, especially at night. It seemed odd to feel safer in the Bush.

Accommodations were great, even the tents had air conditioning. The food was excellent and we even tasted the native source of protein the Mopane Worms. They did not taste like chicken.

The animals were, of course, the highlight of the trip. The photos do not do them justice. To see them, hear them and even smell them was life changing. I don't think I have had a better trip in all of my travels. If you have a chance.....you should just GO!

YOUTH PROJECT

The youth group has been working on a boat that used to belong to Claude and Kathryn Robertson. They have been removing seats and floorboards, scraping and sanding them, and preparing them for paint. It is especially fitting since Kathryn went on to heaven this week, and we had her celebration of life on Friday. She would be so pleased to know that her boat is being worked on and enjoyed by our burgeoning youth group. Furthermore, once the project is finished, taking the youth out on the water will be it's new christening to fun and enjoyment!

A TRIP OF A LIFETIME by Doris Modderman

Of all the things on my bucket list, Africa was at the top, way out of reach. In my wildest dreams I didn't think it would ever happen. When I mentioned it to Joyce and Heather they said...Hey, We'll go. Then Maureen joined us. Traveling to a place that far away is not a very pleasant experience, we flew Delta Comfort Plus and that made it a bit more comfortable.

The countries we visited in South Africa were Botswana, Zimbabwe, Namibia and Zambia. Within these countries we visited Kruger National Park, Johannesburg, Soweto, Victoria Falls and Chobe Game Reserve. We were very fortunate to have spotted the "Big Five" the Water Buffalo, the Lion, The Elephant, the Leopard and the Rhino.

We were also very fortunate that we did not have any rain, and saw very few mosquitos, although we were prepared with all kinds of bug spray and Malaria Pills.

On May 22nd, the youth continued the planting that Liam West began. They planted cut flowers around the border of the benevolence garden, while others dug a trench and planted onions. Dave planted Kohlrabi while others inserted marigolds periodically for a natural pesticide. Dave is an agronomist and helped teach the youth many things about natural pesticides, the health of the soil, and how spring planting turns into fall food. The farm dog, Mo (Moses) loves kids, and always acts pitifully when little ones are around. The youth will have the opportunity to see the process from planting to harvesting, with all the vegetables going directly to the soup kitchen

It begins! Liam (West) and Dave began planting the garden for the Soup Kitchen. May 18, 2019
