Greetings and

Happy November Church!

Sometimes God gives us things that we aren't quite prepared for, but it is an honor and a privilege to take care of. That's what has happened with the emergency warming shelter. Even if it takes a little extra work to ensure that our neighbors don't freeze, I know we are up to the task. There's a few things to keep in mind:

- ♦ A. We must be flexible, so when it opens we may need to reschedule a church or youth event.
- ♦ B. There will be volunteer opportunities that don't require being at the church overnight, and include laundry, custodial, snack and breakfast help.
- ♦ C. Finally, if you have friends or family who might want to volunteer, please refer them to me or Officer Dala Johnson.

On the 16th, we are taking the youth to a day at the West's home farm, and we'll also press some cider for the Soup Kitchen.

Finally, there are a few final planning meetings for the next year. Worship will meet on the 17th of November, and the congregational meeting will be on December 8th.

Peace, Pastor Zane Ridings

Breakfast and Greening of the Church

December 7
9:00 AM

Traditionally we start the Christmas season with breakfast (furnished by CWF), fellowship and singing carols and then each table is assigned a small task to help decorate the church. Everyone looks forward to being part of the transformation.

Lebanon School District KIDS IN NEED

One of Martha CWF group's mission projects is Kids in Need. This project is through the Lebanon School District which helps those kids who need school supplies, food, and clothing. Two of the items that they find they run short of are socks, underwear and hygiene supplies. If you would like to contribute to this need, the barrel will be set out in the entry each Sunday. They can use all sizes for both genders and don't forget the high school kids who are adult sizes. Thank you!!

BACK PACK project

The Back Pack project, also ran by the Lebanon School District, packs 300 back packs each Friday for those kids in need. Supplies are always needed for this project and can be placed in the barrel. Items needed are:

- | | |
|------------------|-----------------------|
| Mac & Cheese | Instant oatmeal |
| Ramen noodles | Granola bars |
| Canned tuna fish | Peanut Butter |
| Fruit snacks | Plastic jars of jelly |

Volunteers Are Always Welcome

If you are interested in helping with the Kids In Need projects they can always use volunteers to help sort and hang clothes and pack back packs at the facility where kids can pick up what they need in the way of clothes, food, school and hygiene supplies. Call Julie Miller at 541-401-0854 for more information.

SPONSOR A FAMILY IN NEED FOR CHRISTMAS

Lebanon School District is asking for people or groups to sponsor one of the 100 Families in need for Christmas by buying gifts for the kids, gift cards for the parents, supplying food for Christmas dinner or what ever you would like to do. Every sponsor does what ever they feel the need to do. The school district asks that you have everything done—gifts wrapped and food supplied and delivered to the district office by December 6. If you'd like to deliver the items yourself and meet the family you can do that also, if the family is agreeable to that arrangement OR you can remain anonymous. For more information call Julie Miller at 541-401-0854.
