## Happy fall Church!

We have finally hit our heat wave, just in time for it to start to cool down!

We have several exciting things coming up this month, with several things "resuming" such as youth group on September 11th at 6:30pm, and Bible study and children's church resuming. The youth group kick-off will be an event where every family member and any church members can come and participate in a picnic on the lawn followed by games and an introduction to the first few weeks of the youth group lesson.

The safety training for youth and children's workers will take place on Friday, September 6th, at 6pm in the fellowship hall. A sandwich dinner will be provided, and the training shouldn't last for more than an hour. If your last training/background check was more than two years ago, you should plan on coming. If you have any interest at all in helping with Sunday school, the nursery, or youth group, you should definitely plan on coming to this training.

There will be an Elder's meeting on September 23rd at Donna Beamer's at 1pm.

A reminder that the exterior repairs will begin on the building the week of September 16th.

All of these exciting things are just indicators of the church pushing forward with our mission and goals, and the exciting work we are doing with all ages!

God bless you and I hope to see you this month at church, in the office, or at an event!

-Peace and blessings,

Pastor Zane
