May 2021

Volume 254

## Greetings Church Family,

Welcome to May, with it's increasing warmth, new flowers budding, and the official time to get your gardens planted! We enter into a month of figuring out how to continue to be church. I'm grateful that more people have been able to engage in classes and fellowship hours lately, it's been very nice to see and hear from people who we haven't gotten to see much lately.

Besides continuing hybrid worship services and hybrid classes, there isn't much added programming going on. We're still trying to find the appropriate balance between connection and staying home. Our attendance has remained right around 40 every Sunday, and each class and fellowship hour is starting to have about 10 people involved each time. The order for the audio/visual improvement has been placed, and we are waiting for the equipment to come in, then they will schedule us an appointment.

God Bless you all, and thank you for all of your patience and involvement.

Pastor Zane Ridings
