

# *Christian Caller*

March 2023

Volume 275

## **Note from the chair of the congregation**

Just a quick update on areas in the church we are working towards.

The internet is being updated, along with a possible new computer for the office.

The cooling/heating system in the fellowship hall, fireside room and kitchen have been updated. Best Heating and Cooling gave us a great deal.

We are exploring a new format for Sunday Morning Worship. We hope it will help us focus more on the different parts of the service. Also, a bit more kid friendly.

We're also working with the Soup Kitchen to obtain a grant to replace the flooring and add new counters to the fellowship hall.

Another area that we're working towards is sending out cards to people-those who we haven't seen in a while, sick or even just to say Hello.

I want to let everyone know that I appreciate all of you and everything you do for this church.

Blessings, Jon
