## WHAT ARE YOU THANKFUL FOR?

Family, friends, faith come to mind. But there is so much more. A roof over my head, food on the table, clean clothes to wear. The beautiful state we live in.

While I'm writing this I'm listening to the church bells. At times we can hear the bells from my front yard. Both boys get so excited to hear "MY" bells. I'm thankful for a church who has embraced not only me but my grandsons. And all the children we have in our worship services.

So, **What Are You Thankful For?** I would like to fill the bulletin board right in side the front doors of the church with your blessings. Let me know, either email the church office or call/text or email me.

I make a point to not over look Thanksgiving. It's so easy to go from Halloween to Christmas, but Thanksgiving is an important season to send some time reflecting on the blessings we have received during the year. Not only in our personal lives but the life of the church as well.

So once again, **What Are You Thankful For?**
