If you know of any updates or corrections to this list, please let the office know in writing or by email.

Christian Caller

October 2022

Volume 271

Message from chair of the congregation:

There is nothing new to report on the pastor search, but having said that we have work we need to do so we are ready when God leads a pastor to us. Pastor Renee talked about how not only are we looking for the right person to lead us forward in our walk with Christ but we too need to be preparing ourselves for the new pastor both individually and as a congregation which includes the building. The church is in need of some updates. Some areas that have been mentioned are the fellowship hall, entry way, stair areas also the Children's Area upstairs.

We will continue with the 3 pastors as our pulpit supply for now.

It is that time of year when we need to be thinking about leadership roles for the coming year(s). With the membership of the congregation lower, it might be time to consider combining some of the responsibilities. I'm hoping that more of the newer, and/or younger members of the church will take on a leadership role as we work to grow our congregation.

The Soup Kitchen is serving more and more people, due to the economy. The mission committee is revisiting the role the church has within our community. If you have an organization that could use some extra help with a project and/or financially please let the committee know. The boy scouts will be using our building each Tuesday evening.

We are still looking for a children's church attendant for Sunday mornings. If you know of anybody that might be interested please let the church office know.

I would also like to thank Kelly and her committee for all their hard work with the events we have already had and for the future events to come.

Note from the Activities Director

Hello,

Can you believe it's October already?! We have been busy planning the Halloween party. We have changed the time to 1:00 pm to 3:00 pm still on Saturday October 29th. If you would like to volunteer to help with a craft, activity or the haunted house, please let me know. We are in need of candy donations and baked goods for the cake walk. Please let us know if you can provide something yummy.

Starting in November the potluck will be moved to the 2nd Sunday each month. The last one was a great success, and everyone seemed to have a great time. Sadly, we have had to make the decision to not move forward with the bazaar. We will get an earlier jump on it next year.

I going to try and plan a Bingo night in November instead. And in December do a Saturday where parents can drop their children off so they can do some Christmas shopping. We will do a craft with the children and help them wrap it so they have a special present for their parents.

As a church we need to come together and support each other in these ventures so we grow together in fellowship and our congregation. This takes a team of everyone for it to be a success. Please come and check out the events and show your support. Come to service on Sunday and enjoy fellowship. Come to the potlucks and enjoy the extra time to get to knowing our church family.

Starting in the new year we will be offering different classes that people show interest in. One of the classes we have on the horizon is a gardening class.

Tips and tricks for a successful garden throughout the different seasons. We are looking at making it interactive where you will be taking something home from it as well. Stay tuned!

MONSTER MASH PARTY

SATURDAY OCTOBER 29TH 1to3
